Anglican Halls Information and Public Liability Policy Wording 2024-25

Including Ansvar Insurance General Public & Product Liability
Insurance PDS & Policy Wording 0624 V1

ANGLICAN HALLS INSURANCE REGISTRATION PROGRAM **FREQUENTLY ASKED QUESTIONS**

What is a hall hirers policy?

When you hire a hall, you have certain obligations (legal liability) to the owners of the hall. This policy covers your liability to the hall and also your liability to people who are participants in the activity you are running within the hall. Note that the liability does not extend beyond the bounds of the property on which the hall rests.

How much does it cost?

The insurance is provided free of charge to the hall hirer. The owner of the hall covers the cost, but to be clear, this insurance policy is between you and the insurer, the hall is not party to the contract. The hall must not charge you specifically for the cost of this insurance.

If I don't register, am I covered?

No. The reason why you register is so that you can receive a copy of the insurance certificate and the insurance contract information (product disclosure statement). Without the issuing of the certificate, there is no insurance in place. In addition, your insurance registration must be notified to the insurer as a condition of the cover.

Who can access this insurance?

The insurance is only valid for individuals hiring participating Anglican halls. The purpose of the hire must be for private or community use only and cover is strictly not provided for commercial entities or traders. No cover is provided for events involving the sale of alcohol.

What is the covered?

Every insurance policy is a contract between the insurer and you. This contract is set out in 2 key documents: 1. Your Product Disclosure statement – this outlines the terms, conditions, exclusions, limitation of the contract. 2. The Certificate of Insurance – This confirms and details such as the amount of insurance and the dates of cover. You should keep your contract in the event that a claim needs to be made.

Claims

Claims are made by the hall hirer to the insurer. It will be compulsory for the hirer to provide the hall owner's incident report at the time of claim, therefore in the event of an incident, the first person to contact is the hall owner/manager and complete their form. After this, please contact AIRS (details below) who manages this program and will support you through the claim process.

RETENTION OF DOCUMENTS

IMPORTANT: a special note relating to record keeping.

Incidents which may be claimable under the policy sometimes only come to light after a long period of time, in some cases many years.

The long-term security of relevant documents including your Risk Management Procedures, any employment records and your Liability Insurance policy and endorsements and the certificate of Insurance can be of crucial importance should allegations arise in future years. All such documents should be securely retained for many years to ensure that they are available in the event of any allegations arising. (We recommend a period of 50 years).

The individuals mentioned in the documents should be notified that information about them may be held for a long period of time as part of a client protection risk management programme. This may be best handled by use of a general statement in employment contracts and your published customer information literature.

In addition, storage provisions for all such documents should be arranged in the event the organisation ceases operations. Generally acceptable methods of storage in these circumstances would be at the office of a solicitor, accountant or at a professional secure storage company.

- failure by one party to comply with any obligation under this **policy**; or
- misrepresentation by one party to **us** before this **policy** commences; or
- dishonest, fraudulent, criminal or malicious conduct by one party,

shall not prejudice the right of the remaining party or parties to indemnity under this **policy** provided that such remaining party or parties did not have prior knowledge of any such failure, non-compliance, misrepresentation and/or conduct and shall, as soon as practicable after becoming aware of any such failure, non-compliance, misrepresentation and/or conduct advise **us** in writing of all relevant circumstances.

We agree to waive all rights of subrogation or action which **we** may be entitled to against any party to whom cover under this **policy** extends.

ADJUSTMENT OF PREMIUM

Where cover under any section of this **policy** is arranged on an adjustable basis, **you** must keep accurate records and make declarations to **us** so that the necessary adjustment of premium may be applied, subject to **us** retaining **our** minimum premium.

ALLOCATION OF COSTS

In the event of a **liability claim** for which the **limit of liability** under this **policy** is insufficient or which is only partly covered by this **policy**, **we** will use **our** best efforts to ensure a fair and proper allocation of the **claim** and **defence costs** between insured and uninsured portions.

AUTHORISATION CLAUSE

The person(s) authorised to accept this **policy** of insurance on behalf of **you** and **your officials** and other persons or entities insured by this **policy**, agrees to act on their behalf with respect to the giving and receiving of any notice of cancellation, the payment of premiums, the receiving of any return premiums that may become due and the acceptance of endorsements or other notices.

We can cancel this **policy** in accordance with the *Insurance Contracts Act 1984* (Cth). **We** will be entitled to retain premium for the period during which this **policy** has been in force.

We may also retain any government taxes or duties **we** cannot recover.

In the event that **you** have made a **claim** under this **policy** and **we** have paid or agreed to pay any part of the **claim** under this **policy**, no premium will be refunded.

CHANGES

You must tell **us** as soon as reasonably practicable of **you** becoming aware of any changes to **your operations** or **products** which significantly or materially affect the risk insured by this **policy** (including the unoccupancy of any building used in connection with **your operations** for more than 60 consecutive days).

We will advise **you** in writing if **we** agree to accept the material changes based on **our** business guidelines and **you** must agree to pay any additional premium **we** may require.

If **you** do not tell **us** of any material changes, or if **we** do not agree to accept the material changes, or if **you** do not pay **us** any additional premium **we** require, then in all such cases, **we** will not be liable to indemnify **you** for any liability to pay **compensation**, caused by or contributed to by the material changes.

DEFENCE COSTS

We agree that in relation to any **claim** for which indemnity may be available under this **policy**,

Provided always that advancement of **defence costs** is at **our** discretion after taking into consideration **your** interest and preference, and

- in the event that the **claim** is withdrawn or that indemnity under this **policy** is subsequently withdrawn or denied, **we** shall cease to advance **defence costs**; and

the extent that it is subsequently established by judgment or other final adjudication, that there was no entitlement to indemnity under this **policy**.

ESTATE AND LEGAL REPRESENTATIVES

This **policy** will provide cover for the estate or legal representatives of any natural person insured under this **policy** in the event of their death or legal incapacity, to the extent to which such person would have been entitled to indemnity under this **policy** had such death or legal incapacity not occurred and provided always that such estate and legal representatives shall observe and be subject to all the terms of this **policy** so far as they can apply.

EXCESS

The **excess** payable by **you** in respect of each and every **claim** under this **policy** is shown in the **certificate of insurance** or any endorsement. The **excess** is the amount payable by **you** towards the cost of any covered **claim** for indemnity under this **policy**. It does not form part of any **limit of liability**.

The **excess** also applies to any amount expended by **us** for **defence costs**.

Additional **excesses** may be payable for the following types of **claims** as detailed in the **certificate of insurance**

- **personal injury claims** for contractors/subcontractors
- **personal injury claims** for **volunteers**
- others as applied by **us**.

GOODS AND SERVICES TAX

You must inform **us** of the extent to which **you** are entitled to an Input Tax Credit (ITC) for the premium each time that a **claim** is made under this **policy**. No payment will be made to **you** for any GST liability that **you** may acquire on the settlement of a **claim** if **you** have not informed **us** of **your** entitlement or correct entitlement to an ITC.

Notwithstanding anything contained in this **policy**, **our** liability in respect of a **claim** under this **policy** will be calculated taking into account any Input Tax Credit (ITC) to which **you** are entitled for any acquisition relevant to a **claim**, or to which **you** would have been entitled if **you** were to have made the relevant acquisition.

If the **limit of liability** is not sufficient to cover **your** loss, **we** will only pay GST (less any relevant ITC) that relates to **our** proportion of **your** loss. **We** will pay the GST amount in addition to the **limit of liability**, sub **limit of liability** or any sum insured.

For the purposes of this General condition, 'GST', 'ITC', 'acquisition' and 'supply' have the meaning given in the A New Tax System (Goods and Services Tax) Act (as amended or replaced).

HEADINGS

In this **policy**, unless the context otherwise requires, headings are merely descriptive and not to aid interpretation.

GOVERNING LAW AND JURISDICTION

This **policy** shall be governed by and construed in accordance with the laws of Australia and the State or Territory where the **policy** was issued. Any dispute shall be resolved in accordance with the laws of Australia.

MONTHLY INSTALMENTS

You may pay **your** premium by monthly instalments direct from a financial institution or from **your** credit card. **You** should note that this may incur an additional cost. However, if any monthly instalment is dishonoured by **your** financial institution this **policy** may not operate. **We** may refuse to pay a **claim** in whole or in part if, at the date of a loss or **claim**, any monthly instalment has remained unpaid for at least 14 days, unless **we** have agreed otherwise in writing.

If **we** settle **your claim** by paying the full **limit of liability** of this **policy**, **we** will deduct any outstanding instalments from the amount **we** pay on **your** behalf.

Should the financial institution holding **your** account return or dishonour a direct debit payment due to lack of funds in **your** account, **we** will charge **you** for any direct or indirect costs which **we** incur arising from the payment being returned or dishonoured.

NON ACCUMULATION

Where a party insured under this **policy** is also entitled to indemnity under another insurance **policy** issued by **us**, the respective limits of liability of the **policies** shall not be increased by virtue of the existence of such other insurances and, in the event of a **claim** arising, **our** maximum **limit of liability** shall be equivalent to the highest **limit of liability** under the respective **policies**.

PRECAUTIONS BY YOU

You are required to take reasonable and practicable:

- a) measures to ensure that **your location**(s), not being used or occupied for extended periods of time, are maintained in a reasonable condition of upkeep;
- b) precautions to prevent **loss, damage** or injury to **third parties**;
- c) measures to comply with all statutory obligations, regulations and safety requirements imposed by any authority;
- d) actions at **your** own expense to trace, recall or modify any of **your products** containing any defect or efficiency of which **you** have knowledge or have reason to suspect, including any such **products** subject to government or statutory ban.

SANCTIONS

We shall not be deemed to provide cover or be liable to pay any **claim** or provide any benefit hereunder to the extent that the provision of such cover, payment of such **claim** or provision of such benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, New Zealand, European Union, United Kingdom or United States of America.

SERVICE OF LEGAL PROCESS

You may effect service of any legal process on **us** in connection with this **policy** by delivering that process by hand or by post to the address for service stated in the **certificate of insurance** and such service shall be deemed to be personal service upon **us**.

All persons entitled to any benefit under this **policy** are bound by the terms of this **policy**.

We insure those interests **you** notify to **us** when **we** issue cover or which are notified to **us** during the currency of this **policy** and which **we** agree to insure or which are imposed by law.

Claims conditions applicable to this policy

The following conditions (**claims** conditions) apply to all sections of this **policy**.

YOUR RESPONSIBILITY WHEN MAKING A CLAIM

Following any event which results in **personal injury**, **property damage** or **advertising injury**, and which may or is likely to give rise to a **claim** under this **policy**, it is **your** responsibility to advise **us** by telephone, email, internet, letter or in person as soon as reasonably possible and promptly provide any information **we** request.

A **claim** form may be sent to **you** to provide the information **we** may require. **You** must complete and return this form as soon as reasonably practicable. Alternatively, **we** may appoint a loss adjuster, lawyer or investigator to make enquiries on **our** behalf and **you** must provide reasonable cooperation with any such appointee.

LETTERS OF DEMAND, OTHER PROCEEDINGS

You must as soon as reasonably practicable:

- forward to **us** every letter of demand, writ, summons, or legal process of any description upon receipt or service thereof; and
- inform **us** in writing of any prosecution, inquest or fatal accident inquiry of which **you** are given notice.

You are required at **your** expense:

- to take all reasonable steps to prevent or minimise any **personal injury**, **property damage**, or **advertising injury** or any other liability to pay **compensation** covered by this **policy** and to prevent further **claims** arising out of the same or similar conditions;
- to use **your** reasonable endeavours to preserve and make available for **our** testing and inspection any of **your property**, **products**, appliances, plant, machines, equipment, computers, files, notes, memoranda, or other **documents** or any other things which might prove necessary or useful by way of evidence in any way connected with any **claim**; and
- so far as may be reasonably practicable, with due regard to safety, to permit no alteration or repair to any **building**, fencing, machinery, furnishings, fittings, appliances or plant without **our** consent. Such consent shall not be unreasonably withheld.

In the event of a dispute between **us** and **you**, or between **us** and any **official** about whether legal proceedings should be contested, a **senior counsel** (mutually agreed upon by **us** and **you** or the **official** or, in default of such agreement, selected by the chairperson or president of the local Bar Council) will be retained to advise on whether such proceedings should be contested. In formulating his or her advice, **senior counsel** shall take into consideration the economics of the matter, having regard to the damages and costs which are likely to be recovered by the plaintiff, the likely **defence costs** and the prospects of **you** or the **official** successfully defending the action.

The costs of such **senior counsel**'s opinion shall, for the purpose of this section, be regarded as part of the **defence costs**. In the event that counsel advises that, having regard to all the circumstances, the matter should not be contested but settled within certain limits which, in **senior counsel**'s opinion, are reasonable, then **you** or the **official** shall not object to any such settlement and shall co-operate with **us** to effect such settlement in accordance with this **policy**.

SETTLEMENT OF CLAIMS

We may take legal action in **your** name against any person, other than any person entitled to cover under this **policy**, to recover any payment which **we** have made or may make to **you** or on **your** behalf under this **policy** whether or not **we** have fully indemnified **you** for the loss or damage which gave rise to the **claim**. **We** will be entitled to conduct and settle any **claim** brought in **your** name. **You** must give **us** all information and assistance that **we** may require in conducting or settling any such **claim**.

We shall be entitled to attend any inquest or fatal accident inquiry in respect of which there may arise any **claim** under this **policy**.

If **you** refuse to consent to any settlement recommended by **us** and elect to contest or continue any legal proceedings in connection therewith, **our** liability for the **claim** shall not exceed the amount for which the **claim** could have been settled, less the applicable **excess**, plus costs and expenses incurred with **our** prior consent up to the date of such refusal.

If at the time any **claim** arises under this **policy**, there is other insurance in force covering the same liability, **you** must promptly notify **us** of the full details of such other insurance, including the identity of the insurer and the **policy** number, and such further information as **we** may reasonably require.
